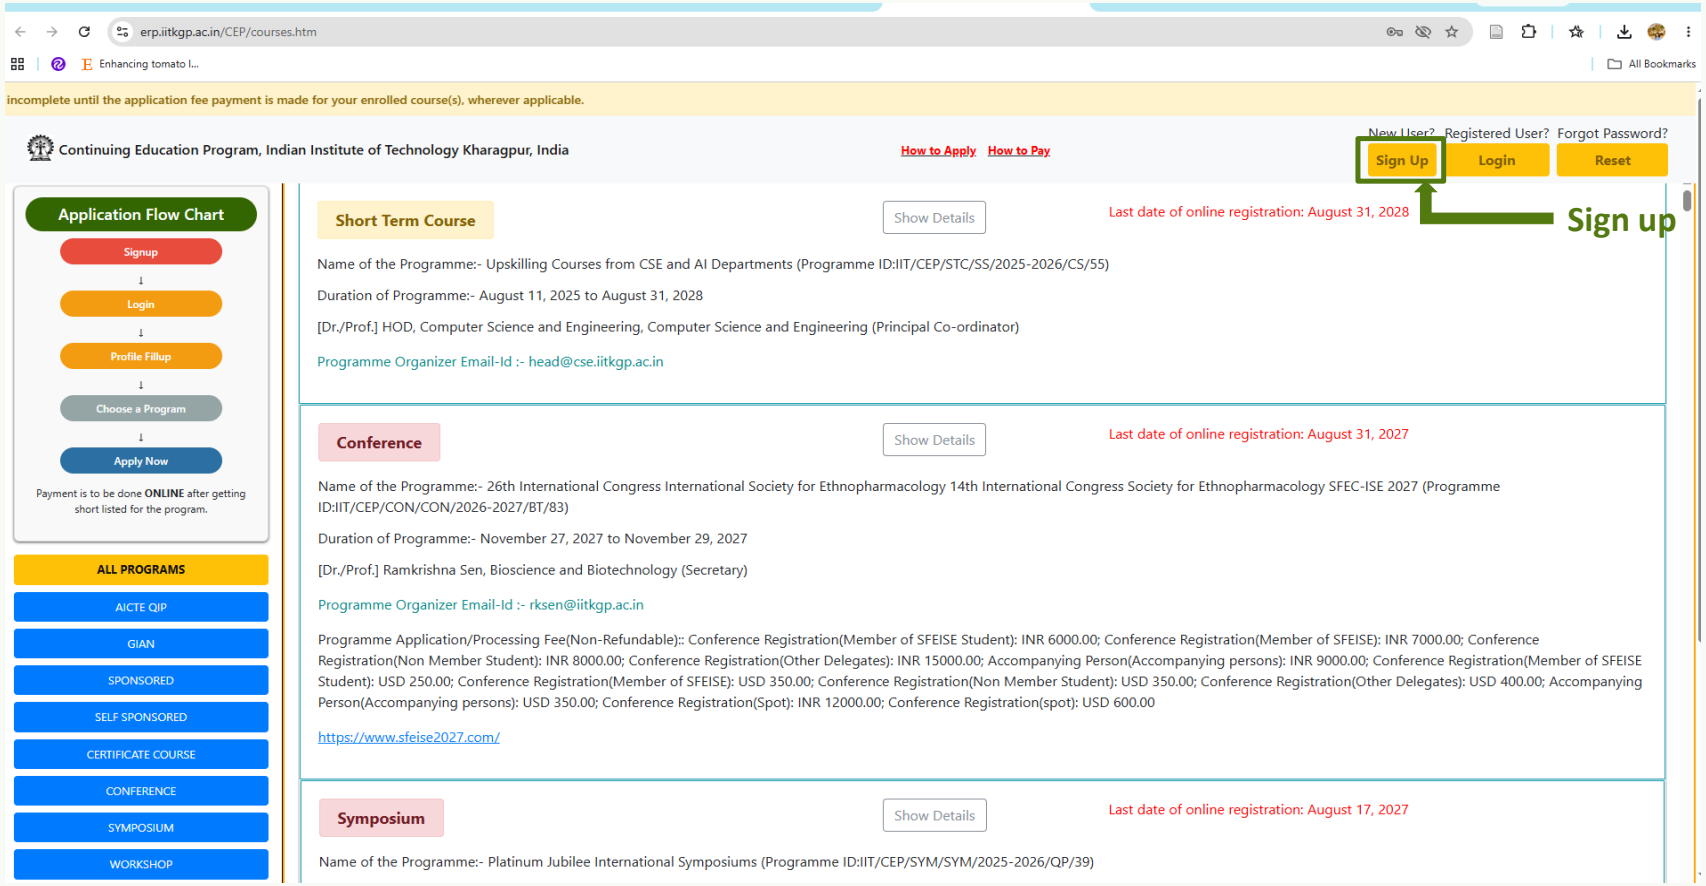
01 Create your account

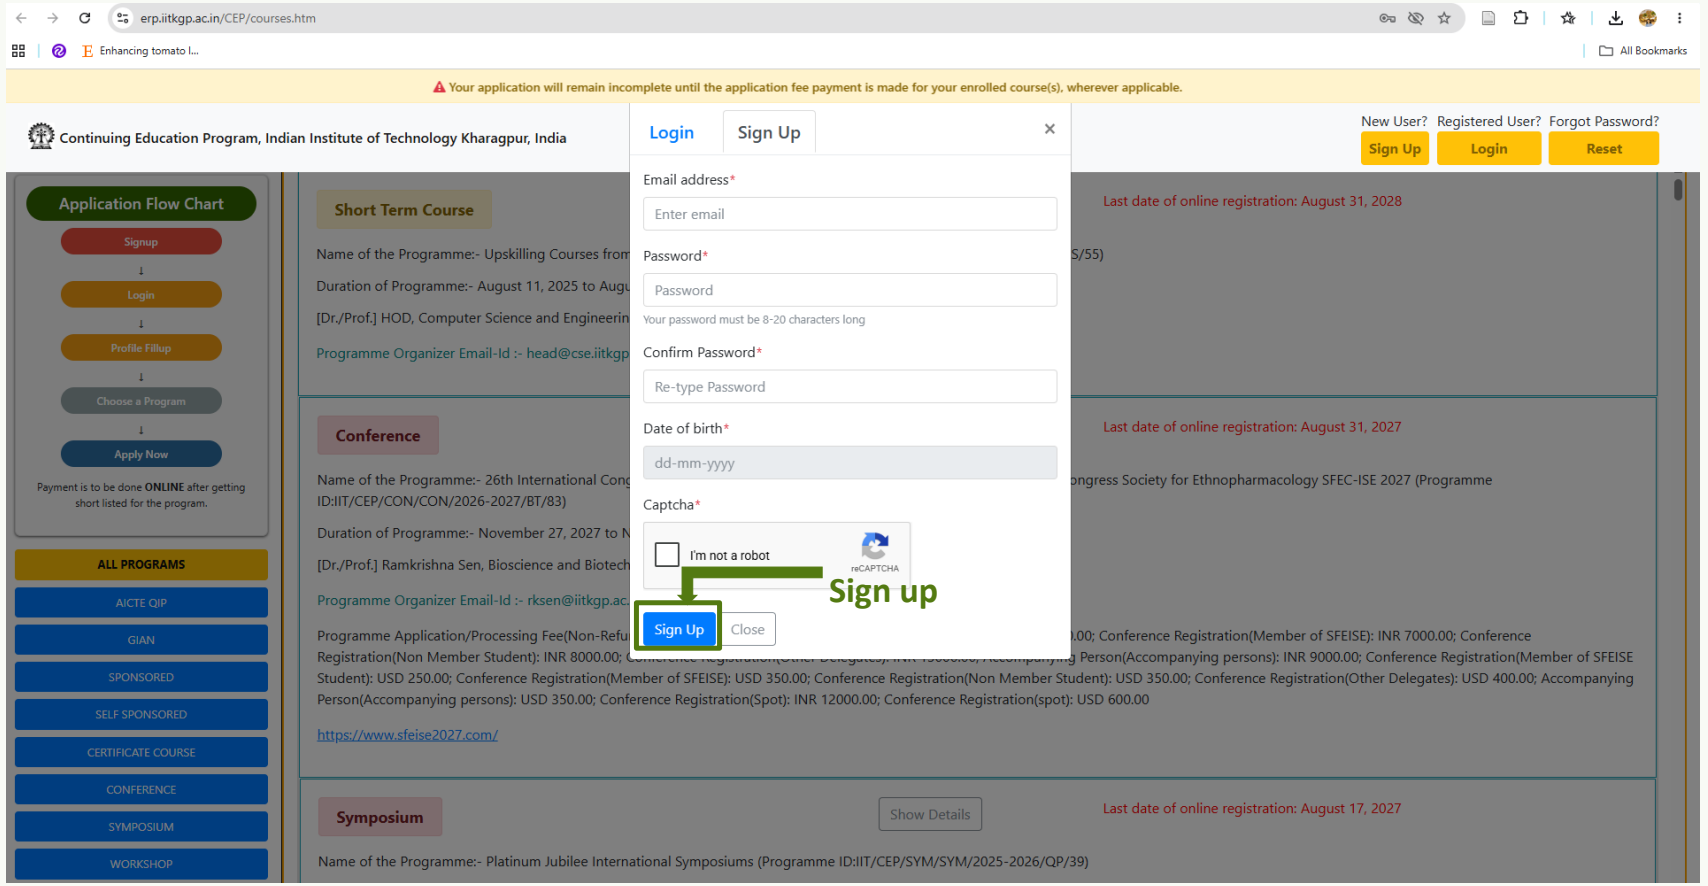
Open the registration portal and select Sign Up.

https://erp.iitkgp.ac.in/CEP/courses.htm



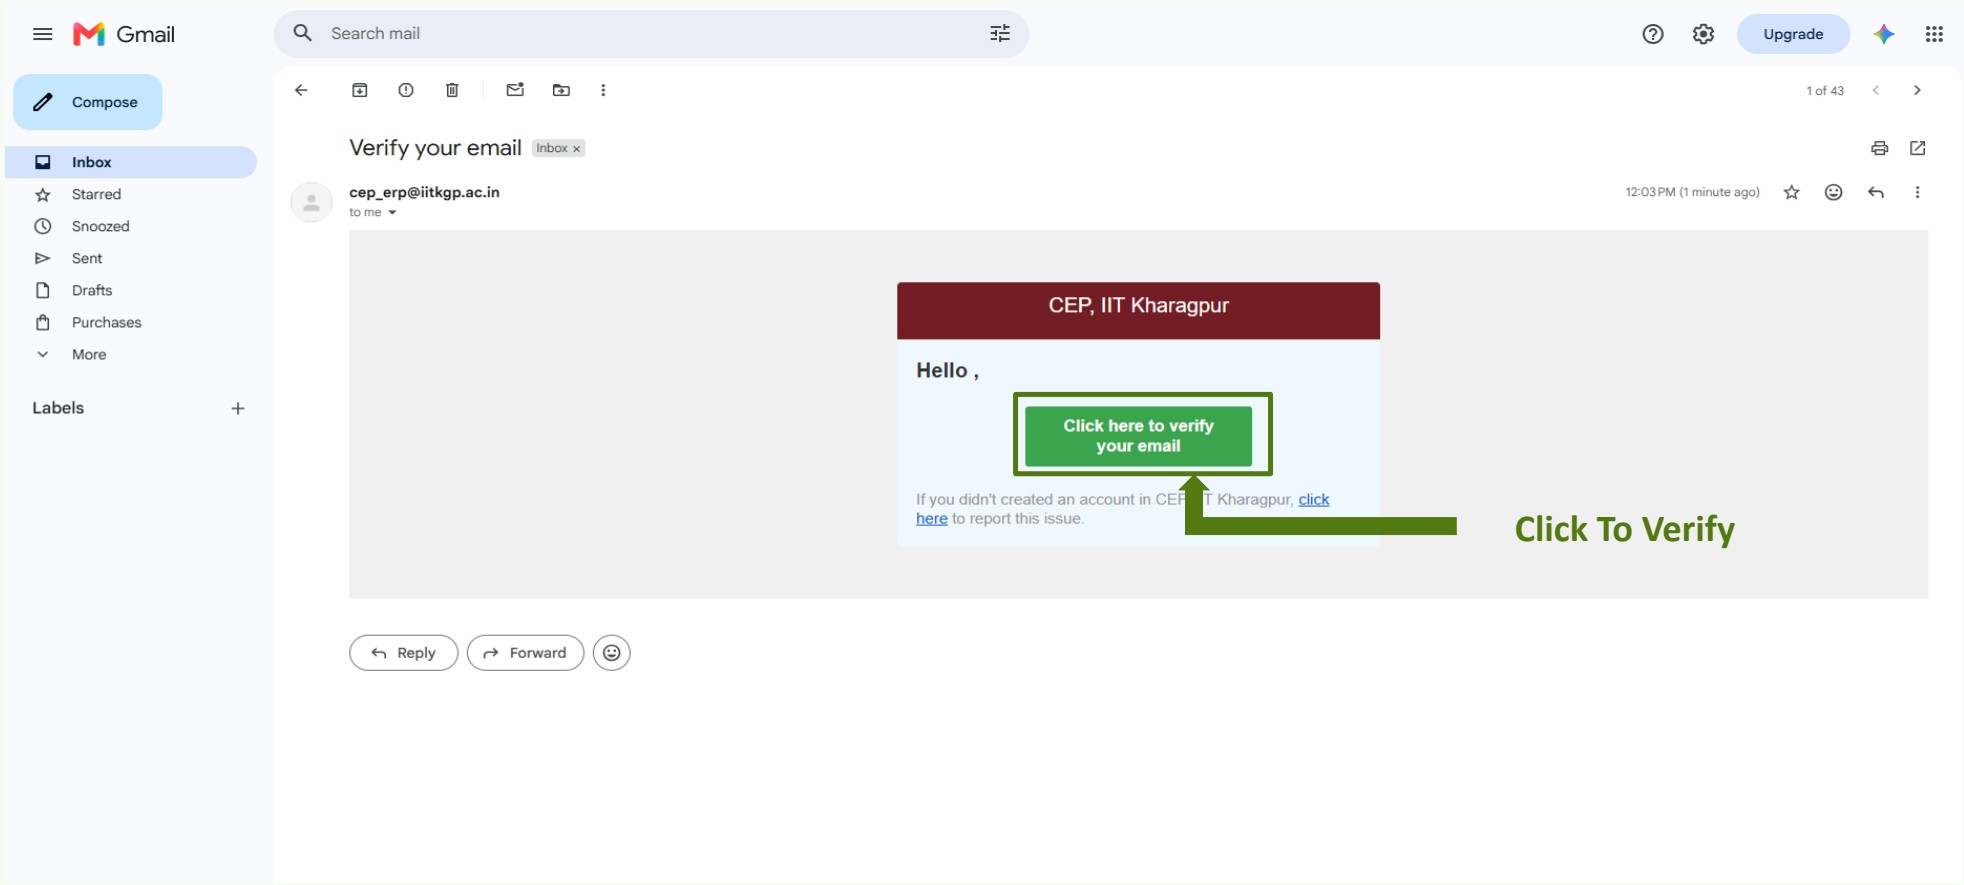
02 Complete the sign-up form

Enter all mandatory details on the Sign Up page, then select Sign Up.



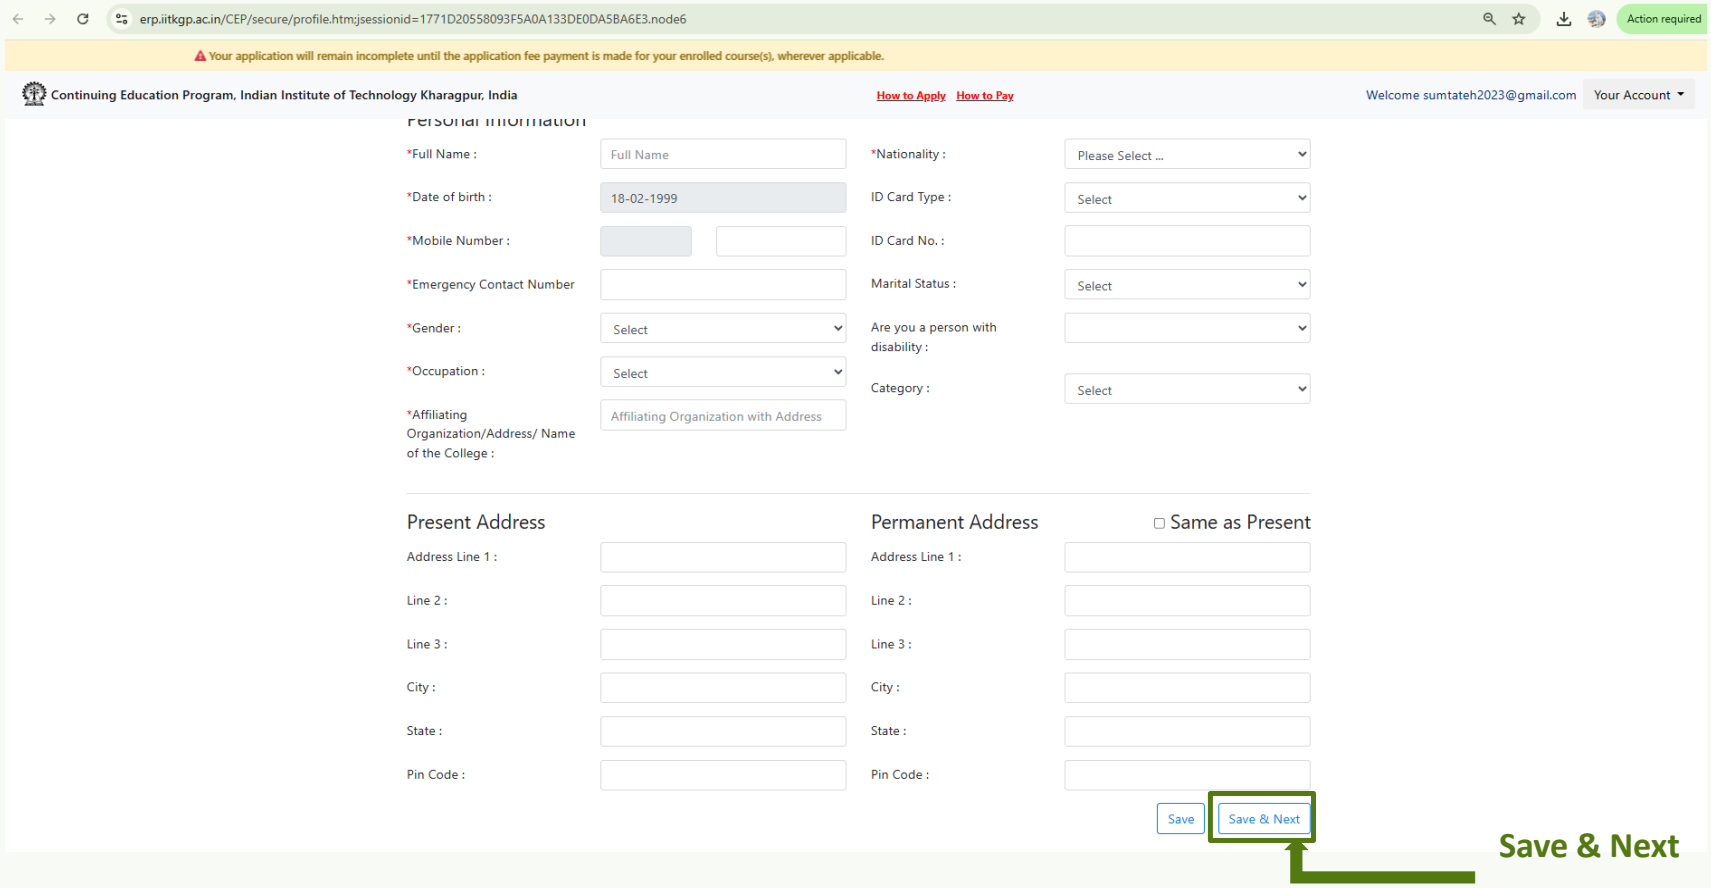
03 Verify your email

Open the verification email and select the verification link to continue.



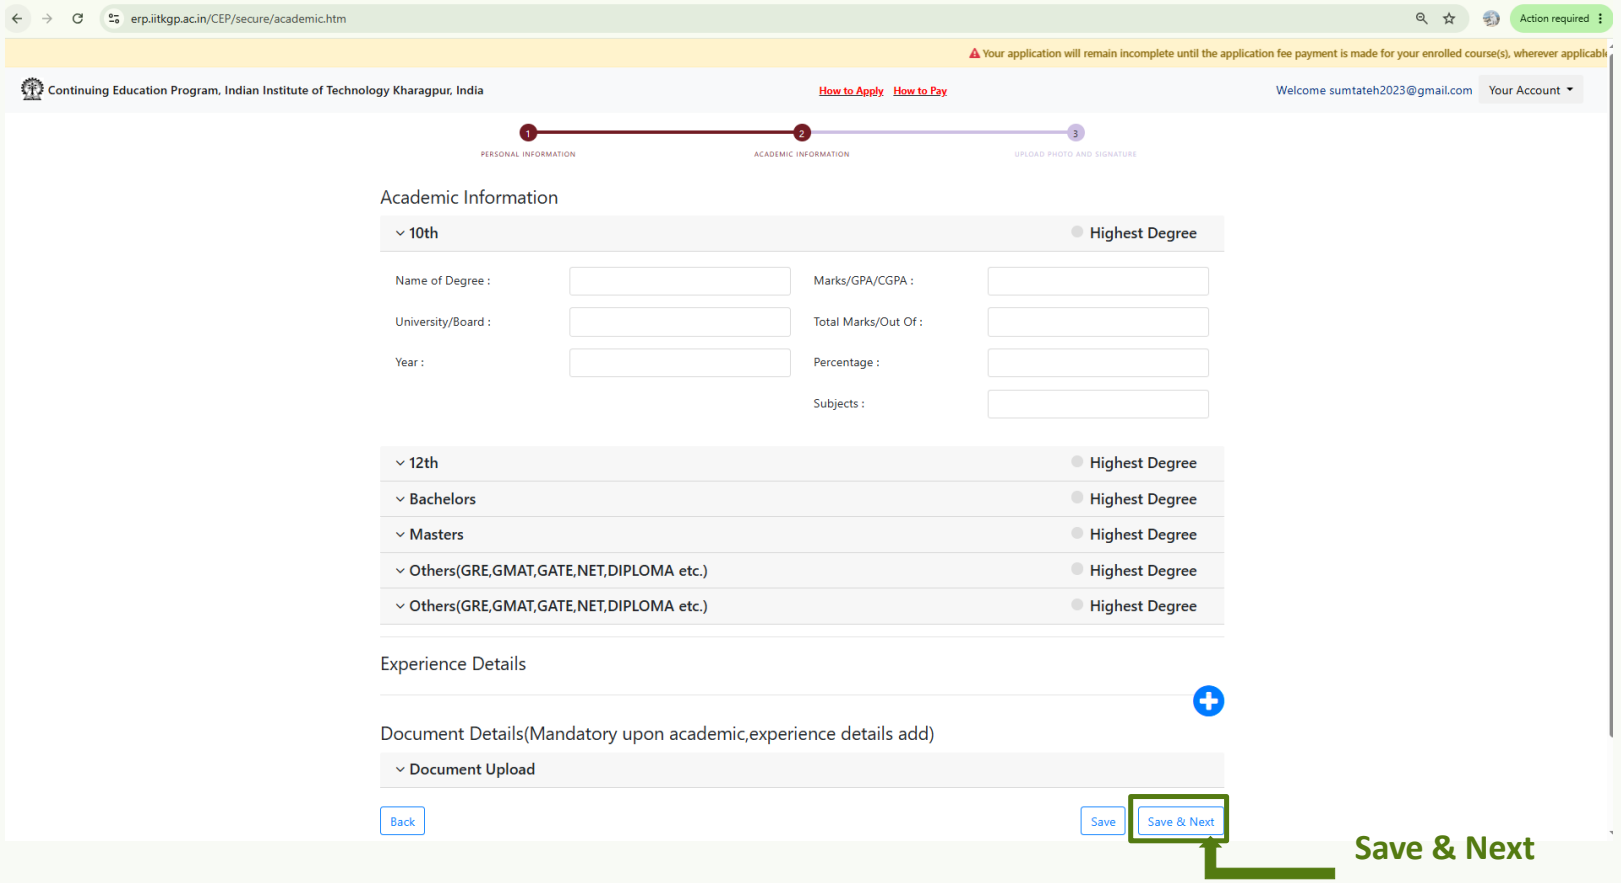
04 Complete your profile

Fill only the fields marked with a red asterisk (*). Leave optional fields such as marital status and address blank. Select Save & Next.



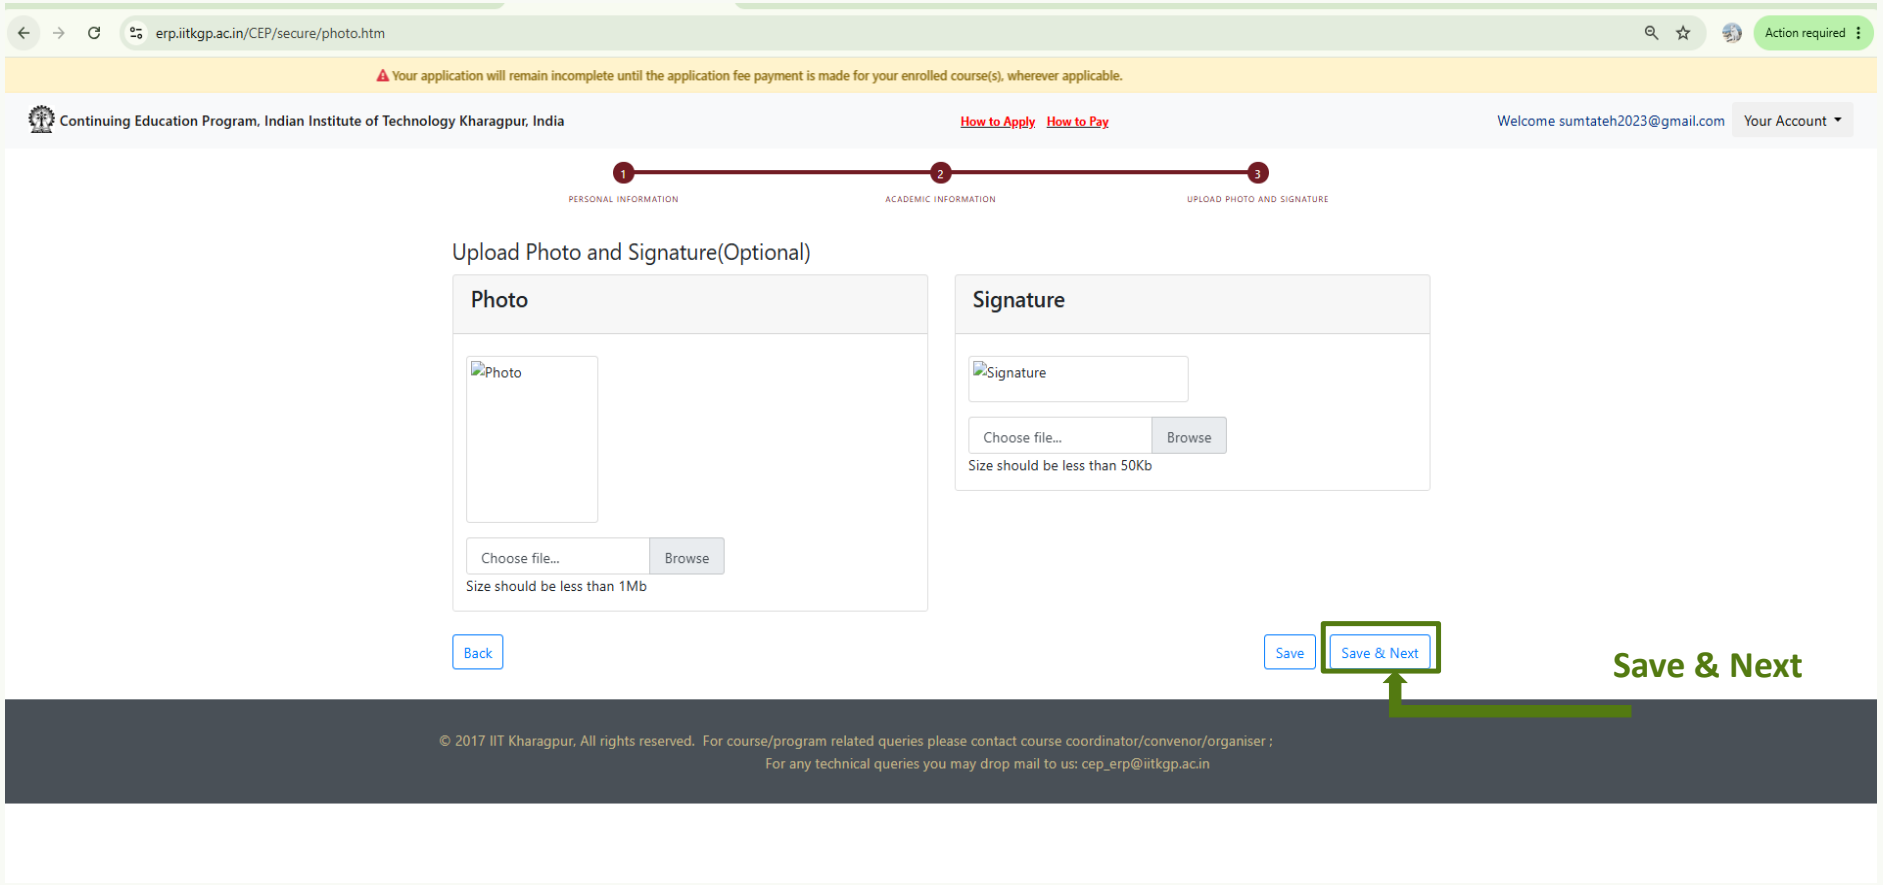
05 Skip optional academic details

You can skip the academic and experience details on this page. Select Save & Next.



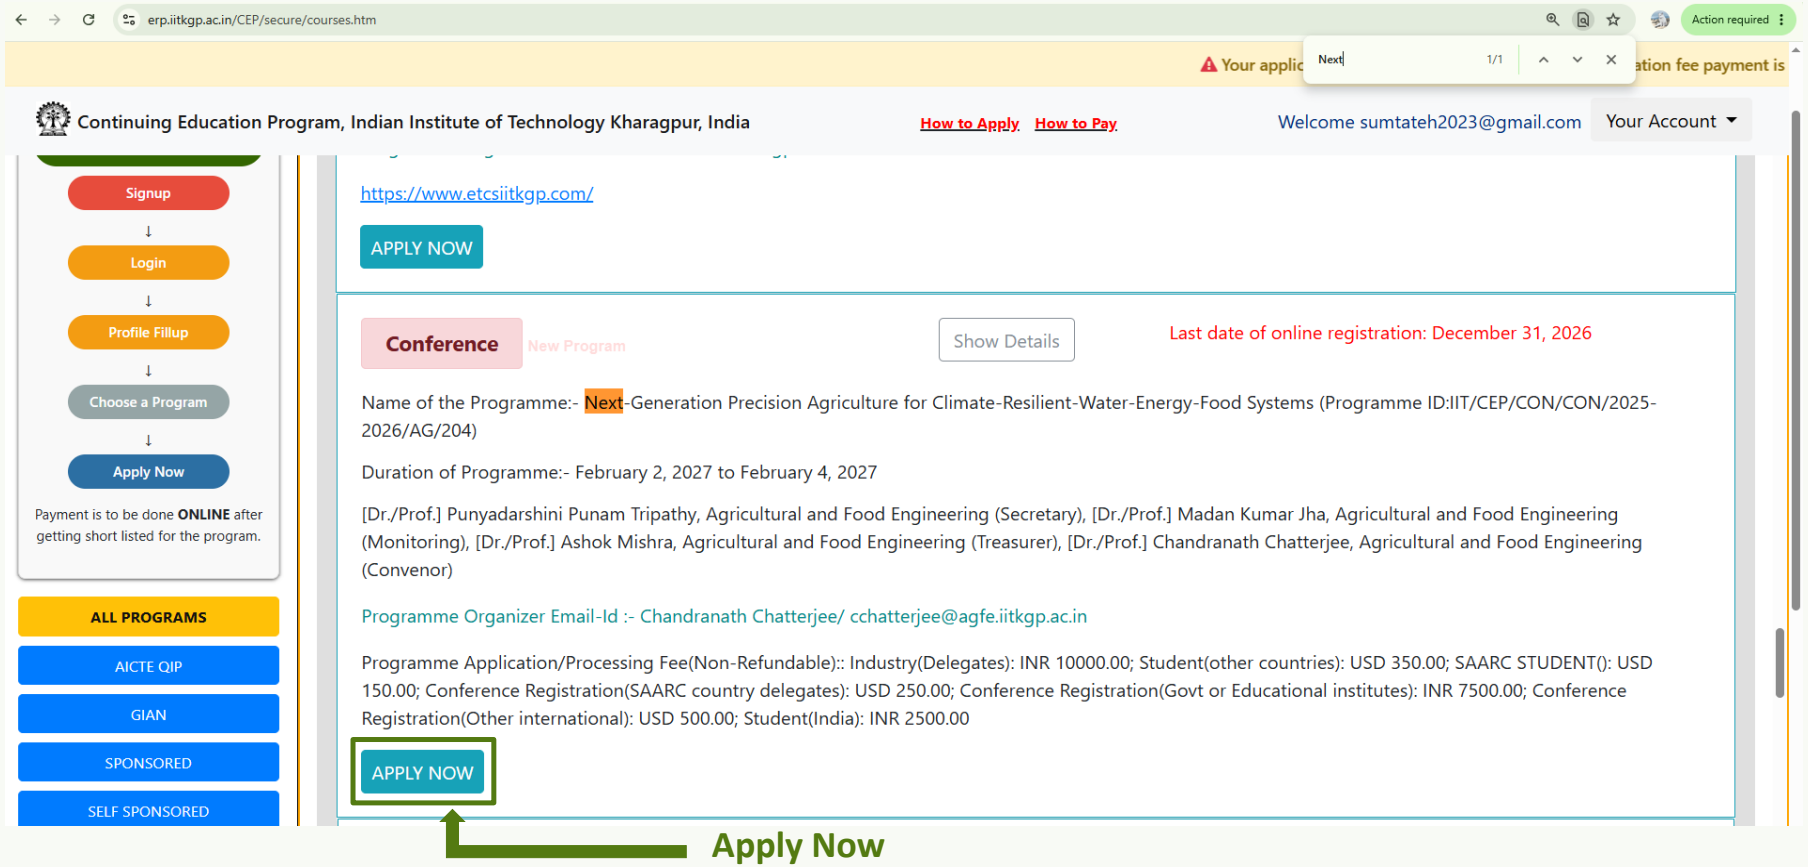
06 Skip optional photo and signature

You can skip the photo and signature uploads on this page. Select Save & Next.



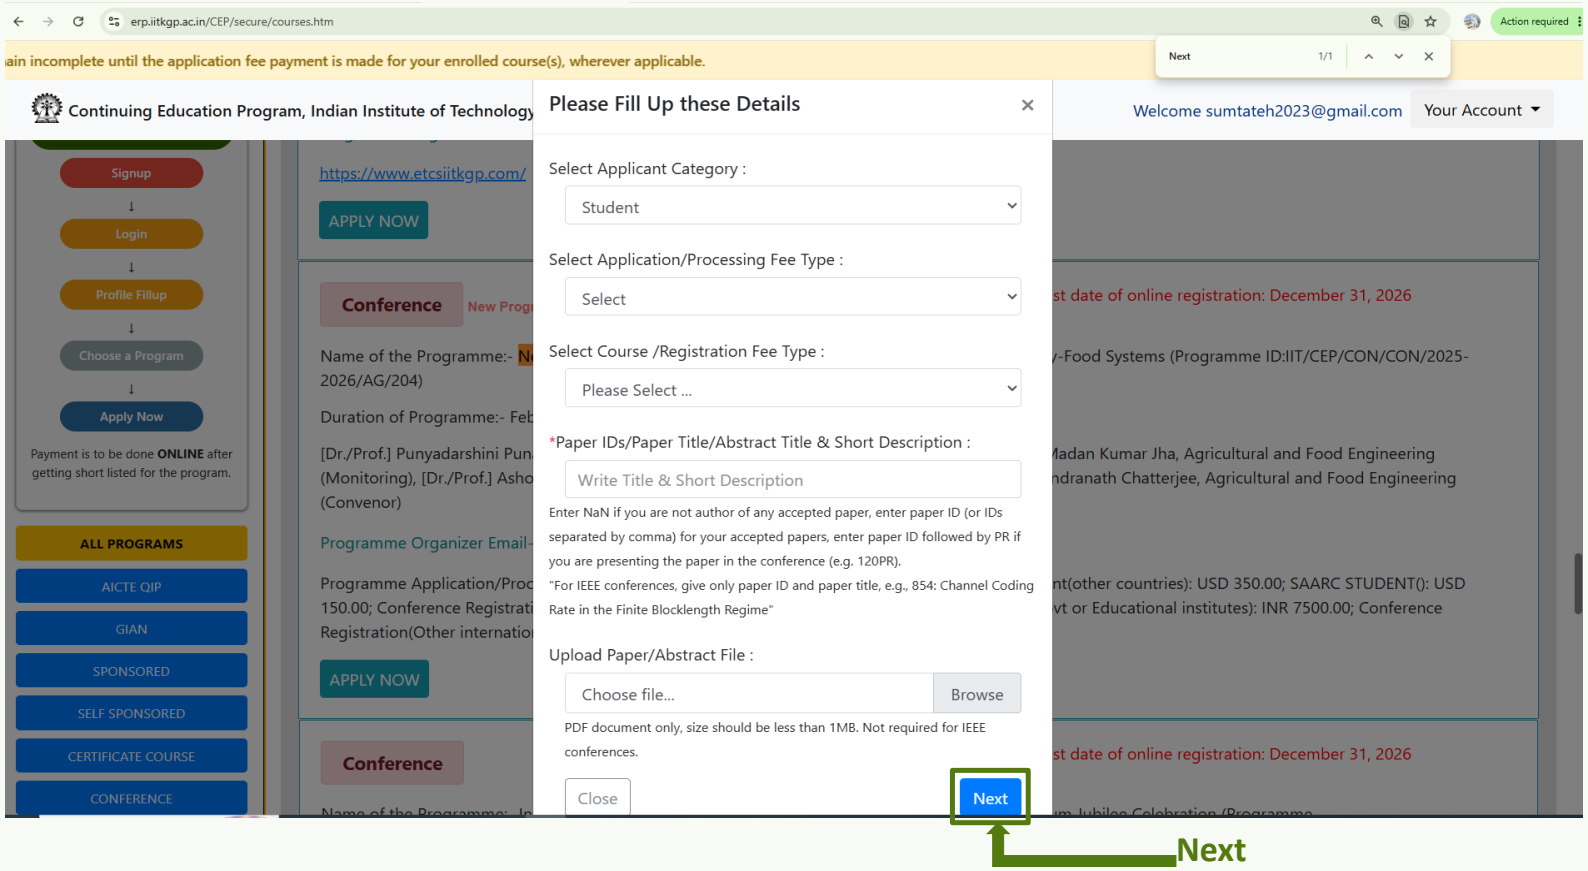
07 Find the conference

Search for “Next-Generation Precision Agriculture for Climate-Resilient Water-Energy-Food Systems”, then select APPLY NOW.



08 Add your application details

Select applicant category, fee type and registration fee type. Enter the abstract title, upload your ID card and abstract as PDFs, then select Next.

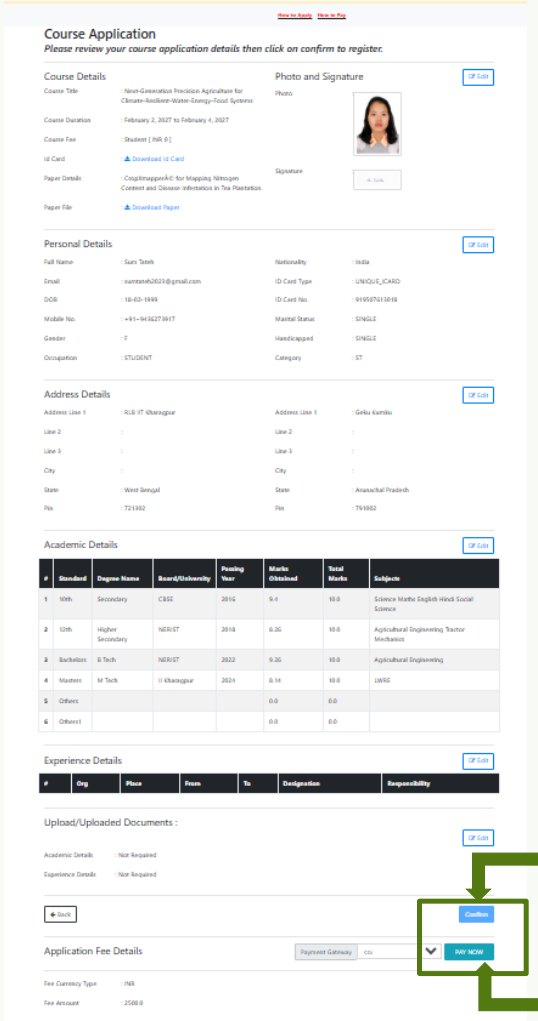


09 Confirm your application

Select Confirm, then Pay Now to continue to payment.

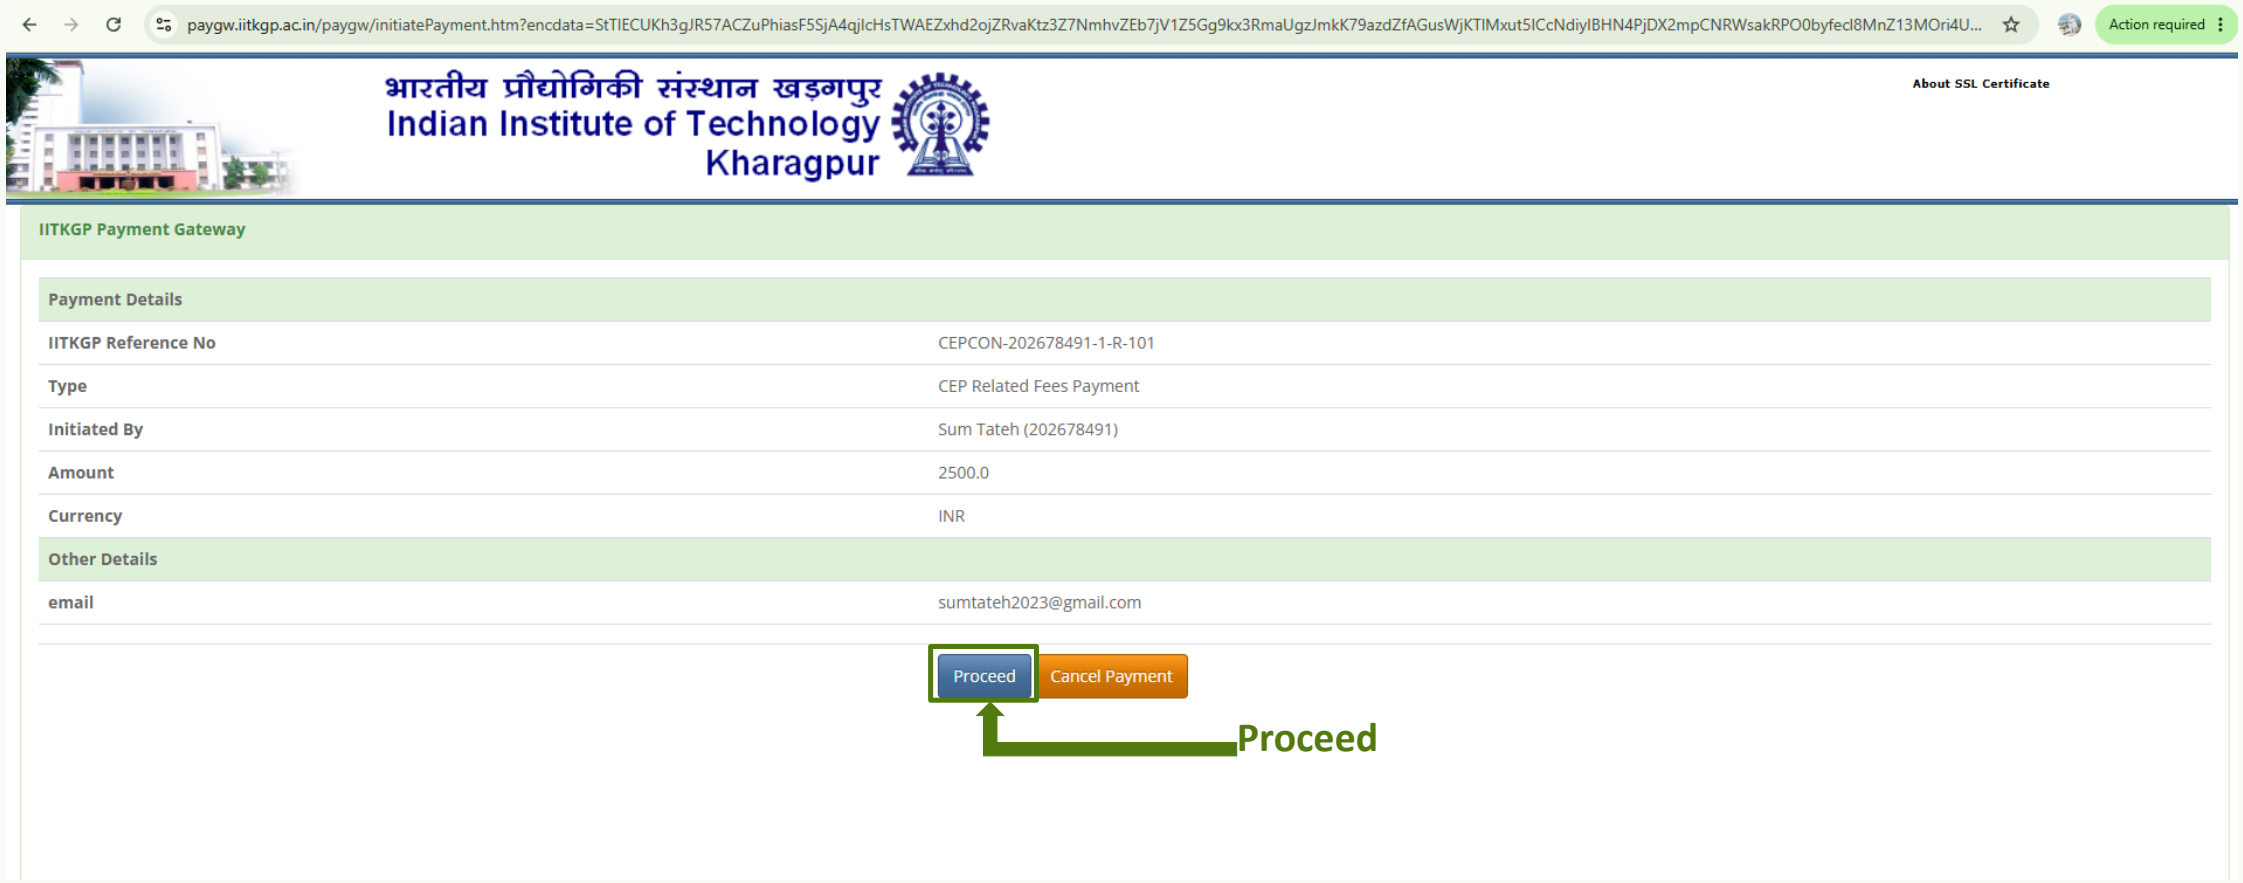
1. Confirm your application

2. Select Pay Now



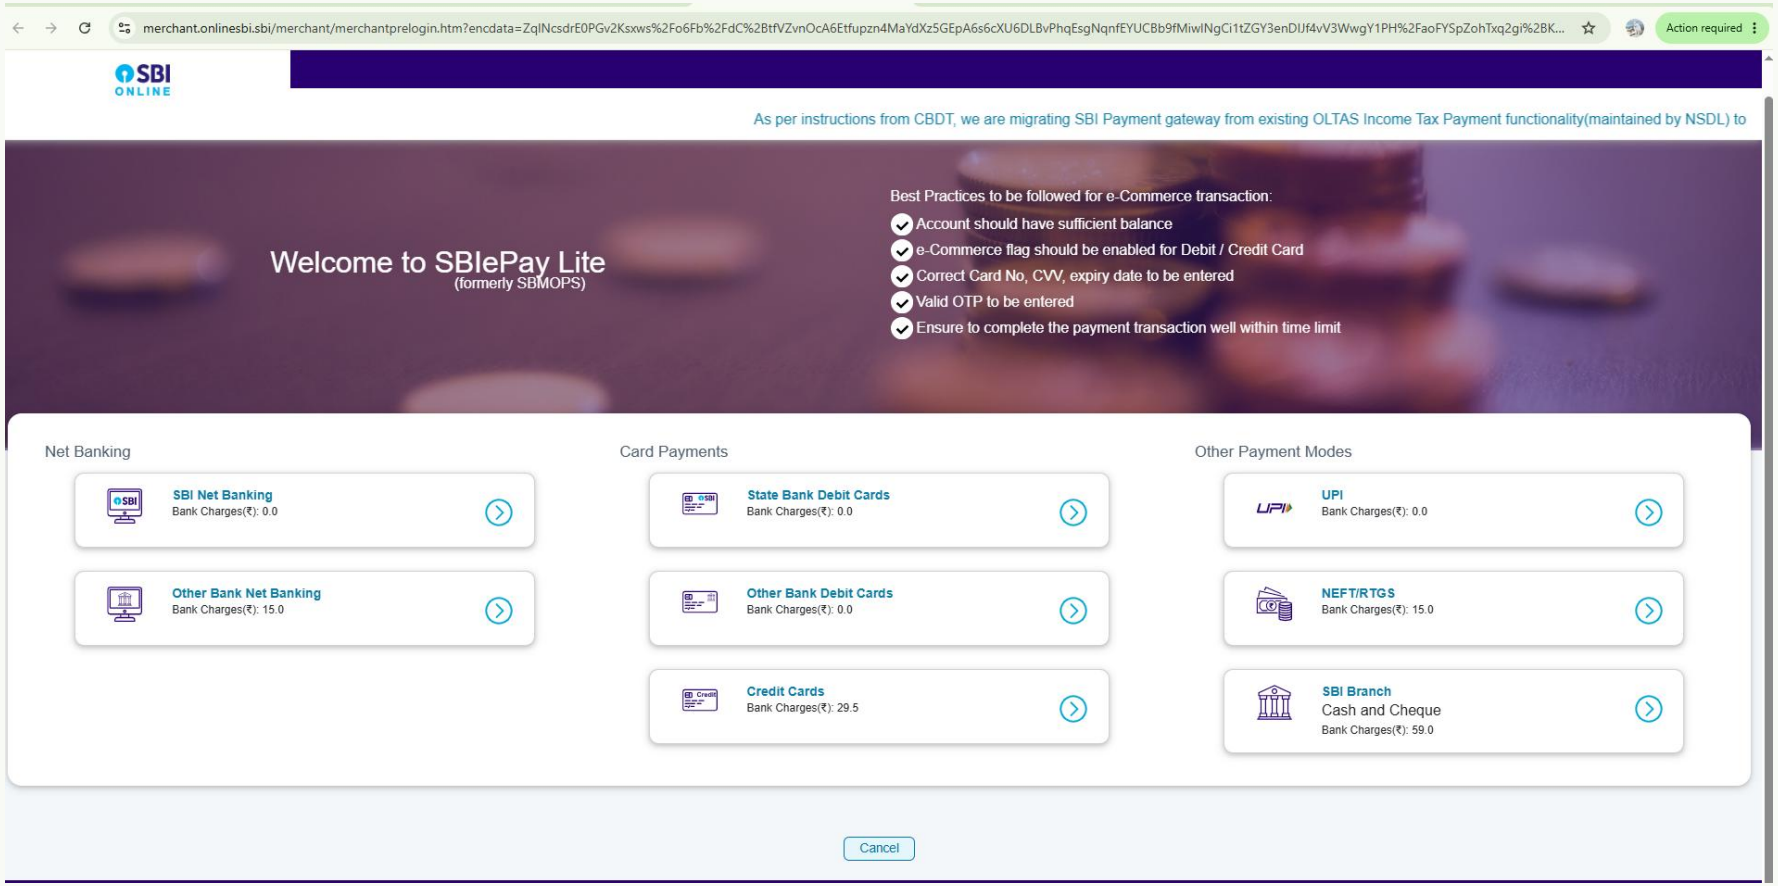
10 Proceed to payment

Review the payment details, then select Proceed.



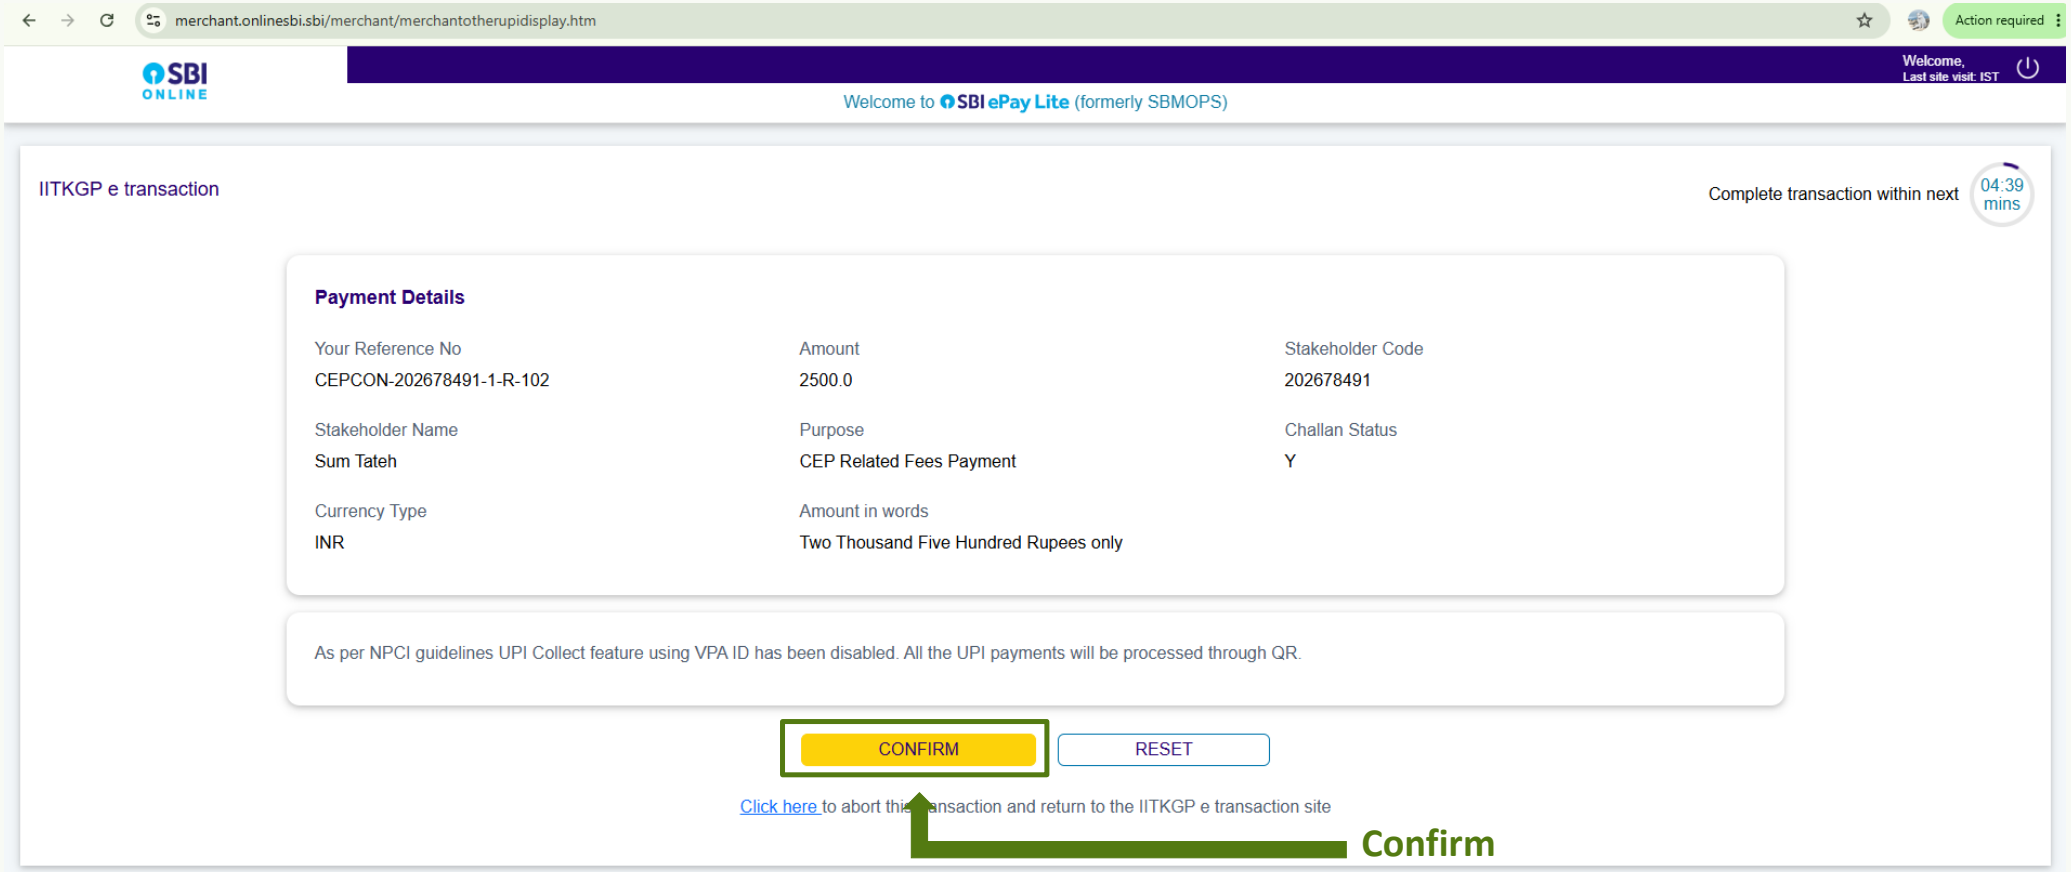
11 Choose a payment method

Select one of the available payment methods to pay the registration fee.



12 Confirm the payment details

Check the payment details, then select Confirm.



13 Wait for the transaction to finish

Wait for the transaction to complete and the portal to redirect you.
